

Team Contribution Report

Team Number	5
-------------	---

Contribution Information

Each member of the team should contribute to the team assignment fairly. Please record the contribution of each of member and indicate if that member deserves 100% credit from the grade of the assignment. For example, if the team assignment receives 90/100, and a team member only deserves 50%, then they will get 45/100 for that assignment.
